Dan Valburg, first being duly sworn on oath, states and alleges as follows:

I.

That Affiant is an ag pilot and the owner and President of Valburg Aerial Spraying, Inc., located at 27656 SD Highway 44, White River, South Dakota 57579.

II.

That Affiant, in the course of spraying fields, has encountered wind turbines and he does not like them. Flying near turbines requires a great deal of attention so as not to have a problem. It is anxiety inducing. Safety margins are greatly reduced flying near them.

III.

That Affiant has spoken to other ag pilots who do spray around turbines and they say with any kind of wind the turbulence behind them is bad.

IV.

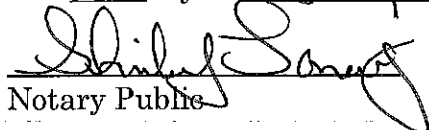

That Affiant refuses jobs involving spraying around wind turbines.

FURTHER AFFIANT SAYETH NOT.
